

icTc Company. For Inspection Consultancy & Training Services

• About icTc

Inspection Consultancy and Training Company icTc is a leading provider of comprehensive health, safety and environmental services, specialising in inspection, consultancy, and training.

- Founded by Kamil Ahmed, who brings over 15 years of experience in the field of Health, Safety, and Environment (HSE). **icTc** is committed to delivering high-quality services tailored to the unique needs of various industries, including oil and gas, construction, manufacturing, and hospitality.
- Kamil Ahmed, holding a NEBOSH International Diploma and being a Certified IOSH member, leads the company with a deep understanding of HSE standards and best practices. His extensive experience and expertise have shaped **icTc** into a reliable partner for companies seeking to enhance their safety protocols, comply with regulations, and ensure a safe working environment.
- At **icTc**, we believe in the importance of proactive safety management. Our services include specialised training courses, equipment inspection, and consultancy services that are designed to meet the highest standards of safety and efficiency. Whether you're looking to train your staff, assess risks, or develop robust safety procedures, **icTc** is here to support your journey toward a safer workplace.

AT INSPECTION, CONSULTANCY AND TRAINING COMPANY **ICTC** WE SPECIALISE IN PROVIDING A WIDE RANGE OF HEALTH, SAFETY, AND ENVIRONMENTAL SERVICES DESIGNED TO MEET THE NEEDS OF VARIOUS INDUSTRIES. OUR CORE OFFERINGS INCLUDE:

TRAINING SERVICES: WE DELIVER HIGH-QUALITY TRAINING PROGRAMMES TAILORED TO DIFFERENT SECTORS, SUCH AS OIL AND GAS, CONSTRUCTION, MANUFACTURING, AND HOSPITALITY. OUR COURSES COVER ESSENTIAL TOPICS LIKE CONFINED SPACE SAFETY, WORKING AT HEIGHT, CHEMICAL HANDLING, FIRE PREVENTION, EMERGENCY RESPONSE, ETC. WE ALSO OFFER SPECIALISED TRAINING FOR HEAVY EQUIPMENT OPERATION AND INSPECTION IN ACCORDANCE WITH LOLER STANDARDS.

INSPECTION SERVICES: ICTC OFFERS THIRD-PARTY INSPECTION SERVICES TO ENSURE THAT YOUR EQUIPMENT MEETS ALL RELEVANT SAFETY STANDARDS. OUR INSPECTION SERVICES INCLUDE DETAILED ASSESSMENTS OF HEAVY MACHINERY, CRANES, FORKLIFTS, AND OTHER CRITICAL EQUIPMENT, HELPING YOU MAINTAIN COMPLIANCE AND PREVENT ACCIDENTS.

CONSULTANCY SERVICES: OUR CONSULTANCY SERVICES ARE DESIGNED TO ASSIST COMPANIES IN DEVELOPING, IMPLEMENTING, AND IMPROVING THEIR HEALTH AND SAFETY MANAGEMENT SYSTEMS. WE PROVIDE EXPERT ADVICE ON RISK ASSESSMENT, POLICY AND PROCEDURE DEVELOPMENT, HSE COMPLIANCE, AND EMERGENCY RESPONSE PLANNING AS WELL AS ISO. OUR GOAL IS TO HELP YOU CREATE A SAFER WORKING ENVIRONMENT AND REDUCE THE RISK OF INCIDENTS.

H2S SERVICES AND TRAINING: HYDROGEN SULFIDE (H2S) IS A SIGNIFICANT HAZARD IN CERTAIN INDUSTRIES. ICTC OFFERS SPECIALISED H2S TRAINING AND SERVICES, ENSURING THAT YOUR TEAM IS WELL-PREPARED TO HANDLE POTENTIAL EXPOSURES AND EMERGENCIES RELATED TO THIS DANGEROUS GAS.

AT **ICTC**, WE RECOGNIZE THE IMPORTANCE OF CONTINUOUS EDUCATION AND TRAINING IN MAINTAINING A SAFE WORKPLACE. WE OFFER A WIDE RANGE OF TRAINING PROGRAMS TAILORED TO MEET THE SPECIFIC NEEDS OF YOUR INDUSTRY, INCLUDING

WITH A COMMITMENT TO EXCELLENCE, **ICTC** IS DEDICATED TO HELPING YOUR COMPANY ACHIEVE THE HIGHEST STANDARDS OF SAFETY, EFFICIENCY, AND COMPLIANCE. TRUST US TO PROVIDE THE EXPERTISE AND SUPPORT YOU NEED TO PROTECT YOUR WORKFORCE AND YOUR BUSINESS.

- **History of icTc**

- Inspection Consultancy and Training Company **icTc** was founded by Kamil Ahmed, a seasoned professional with over 15 years of experience in the field of Health, Safety, and Environmental (HSE) management. Holding prestigious qualifications, including the NEBOSH International Diploma and Certified IOSH membership, Kamil has dedicated his career to enhancing workplace safety across various industries, including oil and gas, construction, and manufacturing.

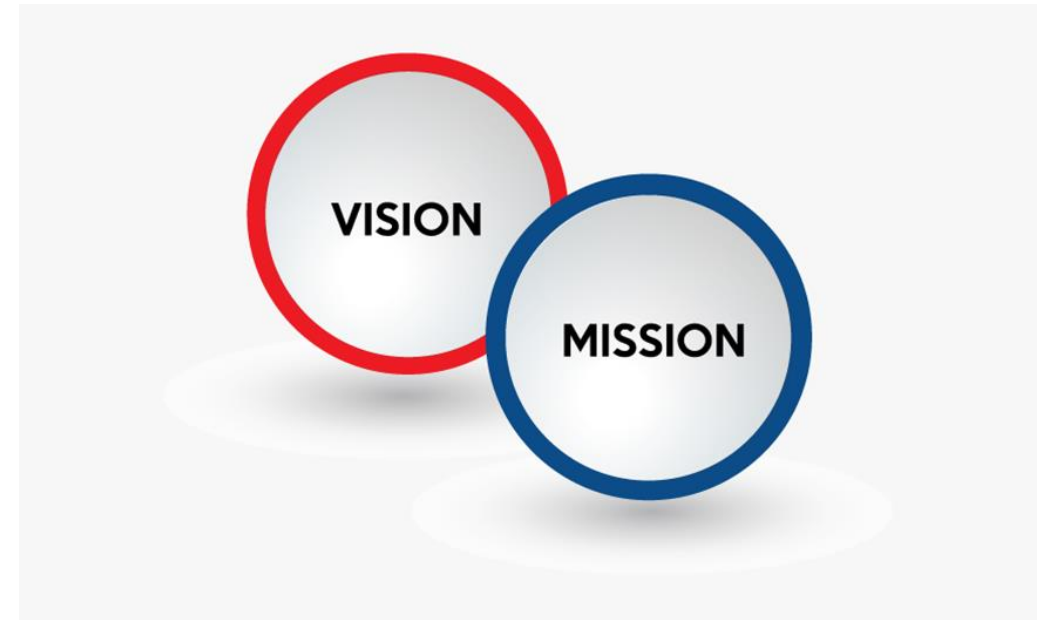

- The idea for **icTc** was born out of Kamil's passion for improving HSE standards and his recognition of the growing need for specialised training, consultancy, and inspection services. Drawing on his extensive experience working with both international and local companies, he envisioned a company that could offer comprehensive HSE solutions tailored to the specific needs of different sectors.

- Since its inception, **icTc** has steadily grown, earning a reputation for delivering high-quality services that help organizations maintain compliance, reduce risks, and create safer work environments. Today, **icTc** is proud to serve a diverse range of clients, providing them with the expertise and support they need to succeed in their health, safety and environmental management goals.

• Our Vision

- At iTc, our vision is to be a worldwide source for individuals and companies seeking workplace training, equipment inspection, and consultancy services in the field of occupational health, safety, and environment as well as ISO. Our goal is to offer courses that are recognised.

Our Mission

At iTc, our mission is to provide exceptional inspection, consulting, and training services that elevate the quality and international standards across various sectors in Iraq and beyond. Our commitment to excellence is evident in our dedication to furnishing clients with the knowledge, skills, and resources necessary for sustainable growth and success.

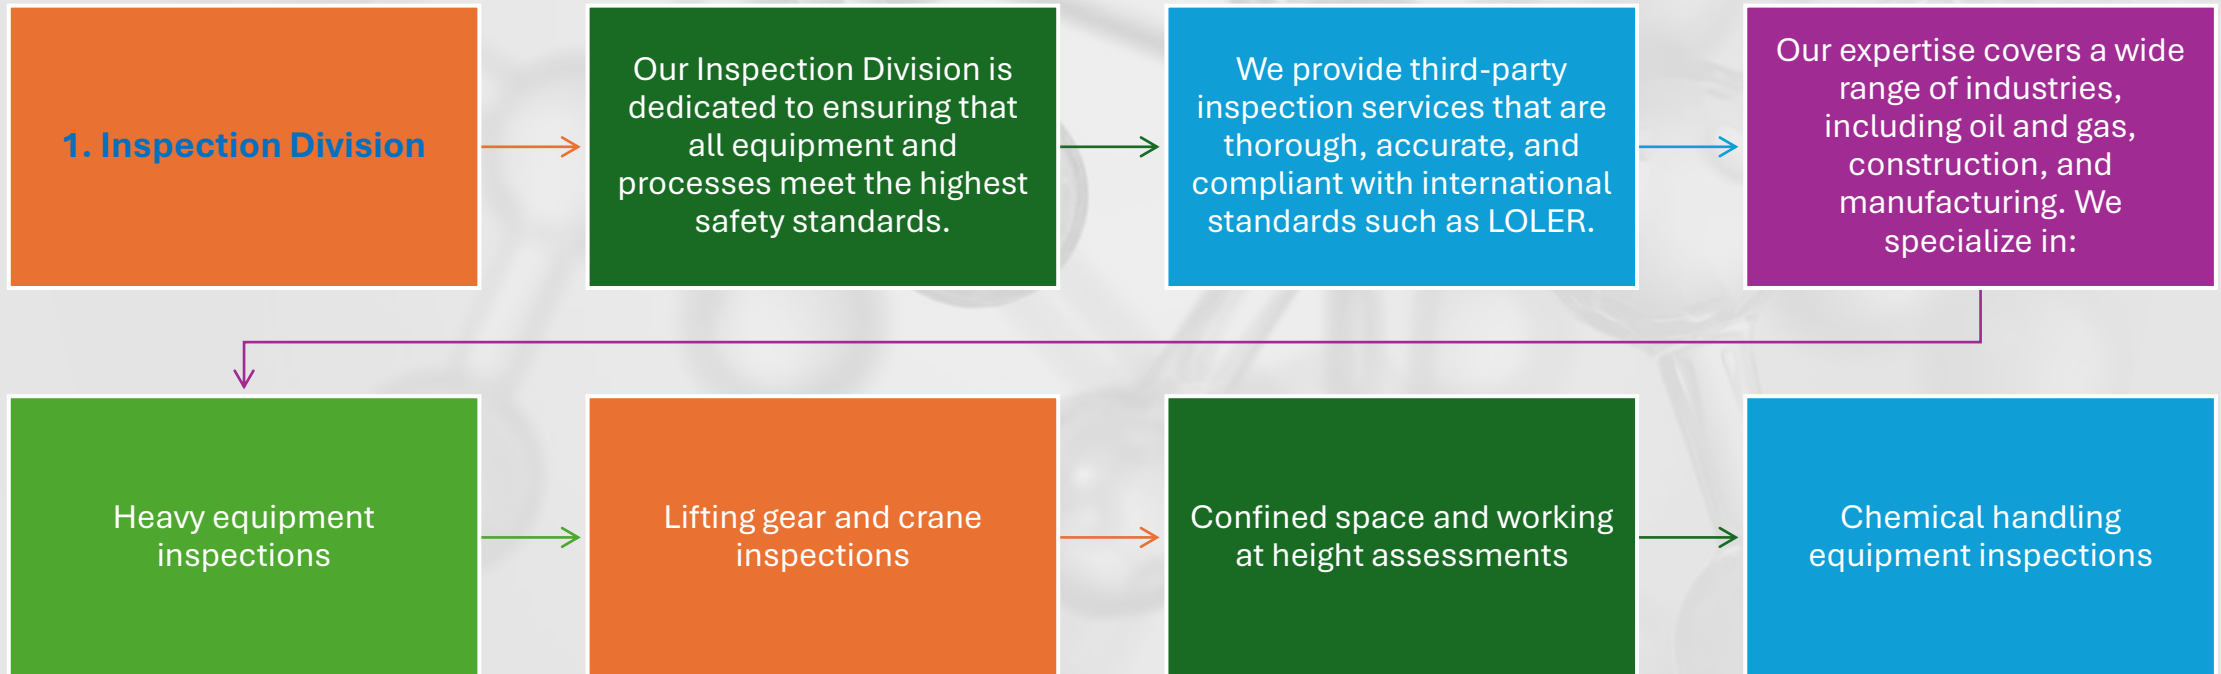

With a focus on delivering innovative solutions, we aim to empower our clients to achieve their unique objectives.

By embracing a culture of quality and continuous improvement, we envision a future where our consultancy and training services play a pivotal role in shaping the success stories of businesses and individuals across the region

Inspection Consultancy and Training Company **icTc** is structured into three core divisions, each designed to address the unique needs of our clients and provide comprehensive solutions in the field of Health, Safety, and Environmental (HSE) management:

1. Inspection Division

2. Consultancy Division

2. Consultancy Division

The Consultancy Division offers expert advice and support to help organisations develop and implement effective HSE policies and procedures.

We work closely with our clients to understand their specific challenges and provide tailored solutions that enhance safety and compliance.

Our consultancy services include:

- Risk assessments and hazard identification
- Development of safety management systems
- Emergency response planning and training
- HSE auditing and compliance checks
- Manual, policy and procedure development

3. Training Division

- icTc's Training Division provides high-quality, industry-specific training programs designed to equip employees with the knowledge and skills they need to work safely and efficiently.
- Our trainers are experienced professionals, Internationally Certified and IOSH Members who bring real-world insights into every session. We offer:
 - Confined space entry and rescue training
 - H2S Training and Services
 - Working at height training
 - Chemical handling and hazardous materials training
 - Firefighting and fire prevention courses
 - Emergency response and first aid training
 - Customised training programmes tailored to client needs
- Each division works synergistically to provide a holistic approach to HSE management, ensuring that our clients receive the most comprehensive and effective solutions available. And many more...

HSE & Technical Training

- At [ictc](#), we take pride in delivering internationally accredited HSE courses led by certified trainers with hands-on experience from prominent oil and gas companies in Iraq.
- Our dedicated team offers comprehensive training and consultancy services to local and international clients, ensuring they acquire the skills to meet the highest HSE standards in their industries.

- **CORPORATE SOCIAL**

- **RESPONSIBILITY**

- At **icTc**, we prioritise corporate social responsibility by offering some free short HSE training and seminars to students through university partnerships. This initiative enhances employability and contributes to a skilled local workforce. Additionally, we promote green energy by partnering with solar companies, aiming to raise awareness and reduce our carbon footprint. Through these efforts, we strive to make a positive impact on society and the environment.

- **SUSTAINABILITY**

- At **icTc**, we're reshaping HSE and sustainability in the Middle East with our slogan 'Safety, Beyond Compliance.' We integrate environmental and social considerations to aid businesses in sustainable development. We've developed a framework linking social responsibility to financial performance, empowering companies to integrate sustainability seamlessly. Safety, ethics, and sustainability are fundamental in our solutions, shaping a socially and environmentally conscious future.
